

District Schools Athletics Championships 2007

Wednesday 3rd July @ Queensway, Wrexham

The district championships is always a big affair with 13 schools from the Chester area competing in all athletics events, from Shells to Fifth Year.

This year's championship was initially in doubt due to the weather. However, the sun came out and King's produced some memorable performances.

Well done to everyone who competed – you all did the school proud with excellent effort and behaviour!

Certificates for top three places are as follows:
