Nottingham City Regatta

Three VIII's headed to Nottingham City Regatta on Saturday in the hope of some preparation racing for next weekend's Nationals Schools. With temperatures soaring into the high 20's all three crews put in strong performances. The 1st VIII squad, broken into a coxless four and coxed four rowed well in the morning session to reach their respective finals. The coxless four produced a strong effort in the final to come fourth, racing the top senior crews of the days. The coxed four also had a strong row and finished 2nd in the final in what was their best performance to date. The 1st VIII failed to progress out of their heat in what was again a senior event but produced a good first 1000 metres of the race which they can hopefully replicate next week.

The two J15 VIII's raced at senior novice VIII level. Both progressed and met in the final, the B VIII winning their heat, the A VIII coming in second in theirs. The final was competitive, with both VIII's putting in season best times down the course and finishing in 2nd & 3rd places in a 5 boat final.

Dates for the diary:

National Schools 28/05
Rowing Club BBQ 12/06

National Schools - Crews 2010
