CHESTER

ADMISSIONS INFORMATION

2019-20

EVERY OPPORTUNITY
ENDLESS POSSIBILITIES

Introduction

Welcome to The King's School. The information contained in this booklet is relating to entry to the school from September 2019. The King's School is an independent, academically selective school taking girls and boys from ages 4-18 years old. Entry into the Infant School, Junior School and Senior School is by assessment days or examinations in January for the following September entry. Entry into the Sixth Form is based on GCSE results and an interview in December of the previous year of entry.

We do admit children into all sections of the school at other times of the year but this is dependent on spaces being available. For more information or if you wish to still apply for 2018, please contact the Admissions Manager (details below).

King's has an admissions policy which outlines the criteria and selection process for entry. Please read the policy for more information: www.kingschester.co.uk/about-us/policies. Selection is by academic merit alone.

We offer financial help by way of means-tested bursaries for Senior (Year 7) and Sixth Form entry to as many families as we are able to help. There are currently no bursaries available for the Infant or Junior Schools.

If you do not find the answers to all your questions within the information pack we have sent to you or if you would like to attend one of our events or visit us, please contact the Admissions Manager on: 01244 689553 or admissions@kingschester.co.uk, alternatively you can visit our website: www.kingschester.co.uk.

Entry stages

We will consider entry into Willow Lodge at any point in a pupil's infant school life, subject to availability of places, although the main year of entry to Willow Lodge is Reception (age 4+).

Admission and Assessments

Admission to Willow Lodge is by means of an assessment held each year in January. Children should be over four and under seven on the following 1 September, although exception may be made in special cases.

The assessment for entry to Willow Lodge in September 2019 will be small groups or individuals on the 18 January 2019.

Assessments may take place at other times by arrangement, but offers are made according to the availability of places.

As part of the assessment process, a reference will be requested from your child's current school/nursery or health professional.

On acceptance of a place, a £500 deposit is payable; this will be refunded when the pupil leaves the school, less any balance outstanding on their account. The deposit and the first term's fees are not refundable if a parent cancels acceptance of a place.

We expect all our Infant children to move smoothly through to our Junior School provided that progress and behaviour are in line with expectations.
