About us

THE KING'S SCHOOL

King's is an academically selective, co-educational independent school originally founded in 1541 for the 'poor and friendless' children of Chester. Almost 500 years later, King's is a thriving, dynamic and forward-thinking school of 1100 pupils that is considered to be one of the very best of its kind in the country.

At King's we aim to make the very most of every individual student in the school, both academically as a selective school with a great tradition of scholarship, but also in terms of character development, confidence and wellbeing. This is achieved by a broad curriculum, extensive co-curricular programme, excellent pastoral care and highly committed and professional staff. We want our pupils to remember their time at school with real fondness whilst relishing the prospect of successfully making their mark on the world and leaving it a better place.

The school enjoys a spacious and well-resourced site on the southern outskirts of Chester, having moved from a city centre location in 1960. Our state-of-the-art infant school, Willow Lodge, was built 6 years ago with the Junior School being impressively extended a year beforehand. There is a major site development plan in progress for the Senior School, including the recent construction of a new £5million Sports Centre, The Rohan Ingley Pastoral Centre and the imminent redevelopment of the sixth form centre. The school retains close links with Chester Cathedral where it holds regular services, including a traditional Service of Nine Lessons and Carols at Christmas.

King's comprises the Senior School (ages 11-18), the Junior School (ages 7-11) and the Infant School (Willow Lodge, ages 3-7). There are currently 768 pupils in the Senior School (220 in the Sixth Form), 220 pupils in the Junior School and 114 in the Infants, supported by almost 250 staff (teaching and support).

Further information about the school can be found on our website: www.kingschester.co.uk
