For the avoidance of doubt these buses are not operated by The King's School – the service is organised and set up by parents for the benefit of pupils. The school does not accept any responsibility for the services provided.

A King's School mini bus service for a North Wales route has recently been set up. To add your child to the waiting list for this service, please call the King's Bursar, Mrs Jordan, on 01244 689540

Arriva operate buses between Chester and Wrexham that stop outside The King's School.

Discounted bus passes are available in the vast majority of journeys to school which makes the use of public buses more affordable. All information relating to using public buses for students to travel to King's can be found on the school website by clicking [here](#).

A pass for Park and Ride services has also been negotiated in partnership with Chester Council for the equivalent of £2 per week.
