

SENIOR SCHOOL – SPORTS KIT

What has traditionally been known as the 'Boys' uniform' is now referred to as the 'Trouser Uniform' and what has been called the 'Girls' uniform' is now referred to as the 'Skirt Uniform.'

The two uniform lists remain unchanged, but we hope that the new terms will enable King's to make suitable provision for a pupil who wants to make a considered choice about the clothes worn at school in relation to their gender identity.

Students are expected to choose one uniform only and not a combination of both. Whilst this will not affect a large number of pupils, we believe it is the right decision to support those individuals for whom this is a significant matter.

Best wishes,

Luke Rogers
Head

New for September 2026:

Senior School Girls' Games Kit – New Optional Games Top for September 2026
We are pleased to introduce a new games top option for Senior School girls for September 2026.

This new design has been developed in collaboration with a group of Senior School girls who have worked closely with us to provide feedback on style, fit and comfort. We are grateful for their input, which has helped shape an alternative that reflects the preferences of our students while maintaining a smart and practical appearance for Games lessons and fixtures.

For now, the new navy games top will be offered as an optional addition to our current white games top. Students may choose to wear either design. To support a smooth transition for families, the new top will not become compulsory until September 2027 at the earliest. This means there is no requirement to purchase the new top for the 2026–27 academic year unless your daughter wishes to do so, however, current stock levels of the white top will not be replenished.
